

Message from Mark

I hope you are all enjoying the fall weather and colors this year. I'm not looking forward to the upcoming winter, but spring and fall are my favorite seasons here in Kentucky.

They have been here a few weeks already, and I'm sure you have noticed some things they have been doing to the golf course and clubhouse, I would like to welcome Avery & Candy Sprehe to the MGCC Team. Avery will assume the role as Golf Course Superintendant and Candy will be working in the clubhouse and golf course. Avery joins us from the Metropolis Golf Club and previous to that he worked at Twelve Stones Golf Club in Goodlettsville, TN. Avery has been a golf course superintendant for over 20 years

and we are excited to have him join our team.

We had a very successful tournament season this past year, I've put together a recap of all of events hosted at the club this past year (See on the back). Participation has increased each of the past three years and I'm looking forward to more of the same for next year. Men's Night was great success this year and I was pleasantly surprised with the size of the Ladies Night on Monday's and Couples Night on Friday's. Now is the time for any feedback you would like to share about a new event you like to have or any changes to our existing events. We will be working on next years schedule over the next couple of months to have it ready to go on January 1, 2023.
