April is an exciting month in Western Kentucky with the leaves budding on the trees and the green grass starting to grow and more importantly the weather warming up so we can enjoy the great outdoors again. We have some fun events to enjoy this month also, the Master's Scramble on April 9th & 10th, and the Member-Member, recently moved to April 30th & May 1st, due to the greens aerification on scheduled April 18th.

We have some exciting staffing changes to tell you about this month. We have hired a new Bartender, Taylor Mills, she is joining our team and will be filling the role as full-time bartender. Coy Swatzell will become the Assistant Golf Professional and he will be filling the role as Assistant Manager at the Country Club. Coy will also fill-in two days a week as bartender. I'm excited about the new changes and the addition of Taylor in the Club Bar. These changes will give us improved performance in both the

Golf Shop and Club Bar. Please give Taylor a warm MGCC welcome when you meet her in the Club Bar and give Coy the needed support and encouragement in his new role at the Club.

Starting on Friday, April 22nd and every Friday throughout the spring and summer months we will be having "Couples Night" at 6:00pm. This is an informal gathering of couples golfer's who get together and play a 9 hole scramble format. This is a great time to play golf with your wife or just a friend and enjoy time with other couples. Also starting on Monday, April 26th will be "Ladies Night" at 6:00pm. This will also go on through the spring and summer month's every Monday night. This is a get together of women who pair up and play a scramble format and enjoy a drink or two after play. This is a great opportunity to meet other women golfers and any level of player can come out and enjoy golf.
