

## Message from Robbie

**Happy October to you all! I hope golf is on your mind as we all prepare for the "spooky season".**

**I am excited to announce that Thursday Night Dinners have started back up! The MGCC Staff and I will continue to work diligently to provide Thursday Night Dinners for the remainder of the year. The plan for now is to work directly with local caterers and to provide you all with a variety of foods each week. With that being said, it will be important for us to get a headcount each week by Tuesday in order for us to plan how much food to order.**

**I have a few fun golf event ideas I am currently working on. One of those events is an inner club Ryder Cup style event. Before I schedule that event, I'd like to get some feedback and interest from the membership. If you would be interested in playing in a Ryder Cup style event, please come talk to me.**
