

Message from Mark

I pray that all MGCC Members had a blessed and happy Easter with plenty of family, friends, and food. Spring is definatley in the air, the trees are coming back to life, the golf course is starting to green up and the temperatures closer to 70 than 50. April is when things start happening here at MGCC, this month we have the Master's Scramble in a couple of weeks and at the end of the month, April 27th & 28th is the first big event of the season, the Member-Member. Now is the time to get your team together to challenge last year's champions, Gary Adams & Walon Hicks. Right around the corner on May 18th & 19th is the annual Double Couple Tournament, and a few days after that we have the Lady Bug2 Women's Golf event. On the back of this newsletter is the 2024 MGCC Tournament Schedule to give you information to make your plans and coordinate your teams for these upcoming events. We have quite a few players already signed up for

this year's WKA. Remember to take advantage of the \$10 price break if you sign up before May 1st. (\$80 + tax before May 1, \$90 + tax after May1).

We have some tasty entrees for the month of April planned for our Thursdsay Night Dinner program. \$12 per person, includes entree, salad, sides, and dessert. Every Thursday Night starting at 6:00pm, take out orders can be called in also. If you need a handicap to play in some of these events all you have to do is call the Golf Shop and we can have you signed up in minutes, cost is \$32 a year. Reminder, if you have a junior golfer ages 16 -18 and you would like them to drive your personal golf cart on MGCC property they need to go through a golf cart driving orientation class, you can call the Golf Shop and make an appointment with the General Manager. The golf course is in great shape and ready for a busy season of golf I hope to see you out at the Club a lot the season.
