Wow! October sure flew by! How is it already November?! Now we are getting into the season of giving. Therefore; I'm here to "give" you all some news for upcoming plans we have going on up here at the club.

Thursday Night Dinners have been going really well so we will continue those through the month of November. Please see the section below for the menu options each week.

Daylight Savings Time Ends on November 3rd. The pro shop hours will update that Sunday. Please see Page 2 for those updated pro shop hours.

NFL Football Sundays are always a fun time, so why not get together and watch it together as a community at the Country Club! The bar will open at 12:00pm on Sundays for those of you that would like to come watch football. Kim Dossett will make some food/snacks on these days that will be available for purchase. Please see Page 2 for more details. We hope to see you on Sundays!

On the Course

The golf course is in great shape heading into the winter months. Greens have been seeded & cultural practices are also completed for the season. As we all know, leaf clean up will be a daily feature on the course in addition with our regular maintenance. We will have various projects lined up for the off season. Thank you all for an awesome golf season.
