I am sorry to announce that I will be leaving my position as General Manager at MGCC in late August. I will be retiring from my 44 year career as a golf professional. During my 44 year career I've worked at eight different golf facilities, public, private, and resort. I've enjoyed my time at every stop in my career, and thoroughly enjoyed my 5+ years here at MGCC. I have seen a lot of improvement here at MGCC since I started in June of 2019, Men's Night has come alive (we had 42 players this past Thursday), we had 32 teams in last year's Member-Guest, with the goal of 36 for this year's event, thanks to Larry Joe Seay and his team the WKA, "is back", with a field of 152 players in this year's event, Reece Streufert has done a great job of getting the golf course in the best shape ever. I've enjoyed practising my culinary skills on a very encouraging group that are here at

every Thursday Night Dinner and participated in our special Wine Dinner Events (I will probably miss that the most). Marilyn and I are still going to be here in Mayfield and plan on joining the membership, Cailey has at least one more year at Murray State. We are looking forward to doing a lot of traveling. We are excited to see more of Kentucky, the east coast, gulf coast, and friends and family located throughout the country. I would like to thank the Club Board and ownership here at MGCC to take a chance from some crazy guy from California wanting to come all the out here to Western Kentucky. It was a crazy adventure for me and my family, but 5 years later we have enjoyed the people and experiences we've had since coming here. I wish the best for the Club and hope to enjoy playing more golf with all of you.
